Child dies after falling from 12th-floor balcony

Samad.Hoque
@timesofindia.com

Gurgaon: A 10-year-old boy died after he fell from the balcony of an apartment on the 12th floor in a residential society in Sohna on Tuesday afternoon. An officer said the matter is being investigated and further legal action would be taken if any negligence or lapse in safety measures is found.

The incident took place at Ashiana Anmol Society in the Bhondsi area. Police said the child, Rudra Sharma, was playing with his sibling on the balcony of their house when the accident took place.

Preliminary investigation suggests the child lost his balance while playing and fell from the height.

"His family, who were inside the apartment at the time, were unaware of the incident until neighbours alerted them," a police officer said.

The child sustained critical injuries in the fall and was rushed to a private hospital. However, he was declared dead on arrival by doctors.

On receiving information, a team from the Bhondsi police station reached the housing society. Inspected the spot and initiated an inquiry. The body was taken into custody and sent for post-mortem examination. After the autopsy was completed, the body was handed over to the family.

The officer added, "The incident appears to be an accidental fall based on the preliminary inquiry. However, we are examining all possible angles before drawing a final conclusion."

As part of the investigation, officers are also scanning CCTV footage from cameras installed in and around the society to reconstruct the sequence of events leading to the tragedy.

After the incident, residents of the society were in shock, with many gathering outside the apartment block after learning of the child's death. Police urged parents and housing societies to ensure children are supervised while playing in high-rise residential buildings and to maintain adequate safety measures around balconies and open spaces to prevent such accidents.

Auto driver beaten to death with iron rod in road rage at office hub

Passersby Watched As Victim Was Thrashed, Alleges Family

Samad.Hoque
@timesofindia.com

Gurgaon: A 32-year-old autorickshaw driver was beaten to death with an iron rod and an awl by a cabbie in the city's busiest office district after a fight over who should give way.

The assault unfolded in full public view in Udyog Vihar phase V on Monday evening, when the victim's family alleged that passersby stopped to watch but did not intervene. They also claimed Arvind Kumar lay bleeding on the road before a commuter arranged an auto and rushed him to hospital. Arvind, who was from Rae Bareilly but lived in Jhansa, died from severe head injuries. Dalip Kumar (32), a cab driver from Delhi's Uttam Nagar, was arrested and an FIR was registered against him for murder.

According to police, the incident took place around 8.30pm on an internal road in Udyog Vihar. Dalip's Ertiga was approaching from the main road while Arvind's auto was coming from the opposite direction. An argument over right of way began while both men remained inside their vehicles. But the confrontation turned deadly within moments, as they stepped out and exchanged blows. Police alleged Dalip attacked Arvind with an iron rod and an awl, repeatedly striking him on the head. The auto driver collapsed on the road, bleeding heavily. "The iron rod used in the attack has been recovered and the car seized. Further legal proceedings are underway," a police officer said.

Dalip, according to cops, was alone in the cab and was arrested soon after the assault. His family, however, disputed the police version, alleging he was accompanied by others who actually carried out the attack. "The injuries show he was brutally assaulted. His head was bleeding profusely and there were deep wounds caused by a sharp-edged weapon. One blow pierced through his hand," a family member alleged. Police said the allegations are being verified.

The attack took place amid evening congestion near Peepal Chowk, where a traffic signal had developed a technical fault and remained non-functional for nearly four to five hours. The incident also triggered questions over public apathy during violent crimes.

A commuter who reached the spot moments after the assault claimed he found Arvind lying on the road while a crowd stood around. "I saw a large crowd surrounding a man lying on the road, with blood oozing from his head. I arranged for an auto-rickshaw and rushed him to a nearby private hospital," he said. Arvind was later referred to Civil Hospital, where doctors declared him dead. His body was sent for an autopsy.

A pan shop owner corroborated that several people witnessed the assault but did not step in. "I heard screams for help and saw one man repeatedly hitting another with rods. Many people had gathered, but no one intervened or tried to rescue him," he alleged. Police said they were examining CCTV footage from cameras near the spot and questioning witnesses to reconstruct the sequence of events.

ARGUED OVER RIGHT OF WAY

An Ertiga approaches from the main road, while an auto comes from the other direction; drivers argue over right of way; they then step out of their vehicles and exchange blows

Arvind died from severe head injuries

Dalip, the cab driver, was arrested and an FIR was registered against him for murder

Car driver held after couple out for walk injured in crash

Samad.Hoque
@timesofindia.com

Gurgaon: A 51-year-old man was held after his car struck an elderly couple while they were out for an evening walk on a service lane in Sector 57, leaving both with grievous injuries.

The accused, Ramesh Kallasam, was questioned by police, who also seized the car involved in the accident. According to police, the incident occurred around 7.30pm on July 24 on the service lane in front of Paragon 57 Mall.

The complainant alleged that his parents were out for an evening walk when a speeding car struck them.

Both victims sustained serious injuries and were rushed to a hospital, where they remain under treatment. Based on the complaint, Sector 56 police registered an FIR under the relevant provisions of the Bharatiya Nyaya Sanhita and launched an investigation.

A police officer said that preliminary findings suggested the accident was caused by rash and negligent driving.

"The accused was allegedly driving at high speed and hit the elderly couple while they were walking along the service lane," the officer said.

No illegal meat shops on kanwar route: MCD

New Delhi: Ahead of the kanwar yatra, Municipal Corporation of Delhi (MCD) has directed all its zones to ensure that no illegal or unlicensed meat shop operates along the routes or near kanwariyas' camps. Action will also be taken against licensed meat shops found violating licence conditions.

The directions came as kanwar camps are going to come up at 308 sites across Delhi from July 30 to Aug 11. In an office memorandum issued Monday, additional commissioner Arun Kumar Mishra instructed all zonal deputy commissioners to complete civic preparations before the yatra begins.

MCD has been asked to remove all encroachments from camp sites before the yatra. It has also instructed all zones to ensure intensive cleaning, trimming of bushes and regular garbage collection at the camps and surrounding areas. TNN
