Forward-Looking Statements

This Annual Report and other statements – written and oral – that we periodically make contain forward-looking statements that set out anticipated results based on the management’s plans and assumptions. We have tried, wherever possible, to identify such statements by using words such as ‘anticipate’, ‘estimate’, ‘expects’, ‘projects’ ‘intends’, ‘plans’, ‘believes’, and words of similar substance in connection with any discussion of future performance.

Although we have been prudent in our assumptions, we cannot guarantee that these forward-looking statements will be realised. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could materially vary from those anticipated, estimated or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward-looking statement whether as a result of new information, future events or otherwise.

MANAGEMENT DISCUSSION AND ANALYSIS

ECONOMIC OVERVIEW

India's economy has been undergoing a transformative shift with the rapid adoption of digital technologies and the expansion of the digital ecosystem. This shift presents significant opportunities for digital platform providing companies to thrive and innovate. India is experiencing a digital revolution, with a massive surge in internet and smartphone penetration. This digital transformation is creating a vast user base that is hungry for online services and solutions.

The e-commerce sector is witnessing substantial growth, driven by changing consumer behaviour and increased digital literacy. This provides a fertile ground for digital platforms that offer e-commerce, payment solutions, and digital marketplaces. India's regulatory environment is becoming increasingly favourable for digital businesses. Reforms and policies are being designed to encourage innovation, protect user data, and facilitate ease of doing business. While urban areas are rapidly adopting digital services, rural markets remain largely untapped. Companies that can bridge this divide by offering relevant solutions stand to gain.

India's start-up ecosystem is vibrant, with a strong emphasis on technology-driven solutions. Venture capital funding and investor interest continue to flow into innovative digital start-ups, digital landscape presents immense opportunities for companies offering digital platforms and services. The nation's economic growth, rapidly expanding digital user base, and evolving regulatory environment create a conducive environment for digital.

INDUSTRY OVERVIEW

Prior to 2021, India's GDP growth experienced fluctuations. The country had been one of the world's fastest-growing major economies, with annual growth rates averaging around 6-8% in the years leading up to the COVID-19 pandemic. However, the pandemic had a significant impact on economic activity, resulting in a contraction of about 24% in the second quarter of 2020. Consumers are becoming more restrained in their purchases, with trading down for value buying, choosing convenience over anything else and sometimes opting for a combination of both.

India has a large and young population, which provides both opportunities and challenges. The workforce has contributed to economic growth, but also requires significant job creation and skill development.

The Company believes, despite the stressed economy there is a huge market potential in the social commerce space. The Indian E-commerce market is expected to grow to US\$ 188 billion by 2025. The pandemic accelerated the adoption of multiple contactless services, including video and WhatsApp shopping and home delivery. Digital channel adoption for food delivery, grocery to all kind of shopping and services gained a higher share than before. Online sales increased by over 10% across most categories they are available in. The trend is expected to stay in India.

BUSINESS OVERVIEW

Due to change in business environment and economic scenario, which got impacted by the pandemic, the Company decided to upscale its digital platform business by being new age business ventures, where the Company management has a competitive edge, given Company's cutting edge technology platform and digital reach and in order to charter right direction for its continuous focus around promoting digital platform businesses and to grow to next frontier.

BUSINESS RESTRUCTURING

In line with the long term business objectives of the Company to further accelerate the scaling up of the operations and to provide synergy of consolidated business operations and management and to streamline the operations of the Company and /or its identified subsidiaries to have a simplified and streamlined holding structure with pooled resources, the Board of Directors of the Company, subject to all applicable statutory and regulatory approvals, including approval from the stock exchanges, SEBI, shareholders and creditors of the company and the jurisdictional bench of the NCLT, has approved a composite Scheme of Arrangement inter-alia involving Amalgamation of Indiabulls Enterprises Limited and Dhani Services Limited (DSL) along with certain subsidiary companies of DSL with and into the Company.

The Scheme is subject to all applicable statutory and regulatory approvals, including approval from the stock exchanges, SEBI, shareholders and creditors of the company and the jurisdictional bench of the NCLT. Post filing the Scheme with National Stock Exchange of India Limited (NSE) and BSE Limited (BSE), the Company has received the Observation Letters from BSE and NSE on March 1, 2024 and March 4, 2024, respectively. Hon'ble Competition Commission of India (CCI) has approved the Scheme on December 19, 2023 and detailed Order of CCI has also been received. First motion application has been filed with Hon'ble National Company Law Tribunal, Chandigarh on April 10, 2024.

Management Discussion And Analysis (Contd.)

In Compliance with NCLT Order dated January 29, 2025, meeting of Equity Shareholders of Dhani Services Limited, Yaari Digital Integrated Services Limited and Indiabulls Enterprises Limited and meeting of Unsecured Creditors of Indiabulls Enterprises Limited were convened on March 29, 2025, wherein the shareholders and unsecured creditors have passed the resolutions with requisite majority approving the Scheme. Thereafter, NCLT appointed Chairperson filed its consolidated report on these meetings on April 01, 2025 to Hon'ble NCLT, Chandigarh Bench. Further, the Second Motion Petition was filed with the Hon'ble NCLT, Chandigarh Bench on April 07, 2025. Hon'ble NCLT has reserved the matter for Order.

Upon the Scheme coming into effect, the fully paid-up equity shares of your Company will be issued to the shareholders of Dhani Services Limited, Indiabulls Enterprises Limited and India Land Hotels Mumbai Private Limited (ILHMPL) basis the swap ratio as mentioned in the Scheme i.e.

(i) To the shareholders of Dhani Services Limited

"322 Fully Paid-up equity shares of Yaari of INR 2/- each for every 1 equity share of ILHMPL".

INDUSTRY STRUCTURE AND DEVELOPMENT AND BUSINESS OUTLOOK

The Company is resolutely dedicated to constructing a steadfast, secure, and sustainable business model, driven by an unwavering focus on capitalizing on growth opportunities within the industry. We envision ourselves as an emerging online commerce entity grounded in fundamental business principles, with a strong emphasis on effective governance, streamlined operations, innovation, and fostering trust.

At present, the Indian social commerce landscape is in its fledgling phase, projected to burgeon to a valuation of US\$ 70 billion by FY 2030. This remarkable expansion is attributed to its ability to cater to distinct consumer demands. The phenomenon of social commerce is poised to democratize the entire e-commerce sector, predominantly propelled by decentralized models built upon foundations of trust and community. Additionally, it is poised to restructure the traditionally disorganized long-tail segments within the online commerce industry.

The Company's digital app, Yaari, combined with the digitally connected Bharat, is primed to expedite the acceleration of online commerce growth. In doing so, it aims to establish an ecosystem that provides income support to more than 40 million aspiring Indians.

The Government of India has introduced a slew of initiatives, including Digital India, Make in India, Start-up India, Skill India, and the Innovation Fund. Effective and timely implementation of these initiatives is poised to substantiate the growth of E-commerce within the country. Noteworthy initiatives undertaken by the Government to bolster E-commerce include:

Foreign Direct Investment (FDI): The allowance of 100% FDI in B2B Commerce and automatic route-based 100% FDI in the marketplace model of ecommerce.

Government eMarketplace (GeM): With over 38 lakh sellers and service providers across 21,000+ product and 240+ service categories, GeM has been a significant platform for government procurement. In FY 22, government procurement from micro and small enterprises amounted to Rs. 42,586 crore.

National Retail Policy: The proposed national retail policy has identified key areas for improvement, including ease of business, license process rationalization, retail digitization, reforms focus, and facilitating an open network for digital commerce.

Digital India Initiatives: The launch of initiatives like Umang, Start-up India Portal, Bharat Interface for Money (BHIM), and others under the Digital India movement has played a pivotal role in boosting digitization.

Management Discussion And Analysis *(Contd.)*

5G Infrastructure Investment: Substantial government investment in rolling out fiber networks for 5G is poised to significantly enhance E-commerce in India.

Beyond this, the confluence of technology adoption, positive demographic shifts, and educational advancements have all contributed to this impressive growth trajectory. Consequently, the outlook for online commerce markets in emerging economies remains highly favourable, even in the face of cyclical and structural factors that impact overall macro growth prospects.

OUR STRATEGY

Our strategic vision centres around placing our customers at the heart of every endeavour. We are steadfast in our commitment to establishing a sustainable organization that aligns seamlessly with the aspirations of our stakeholders. Our core tenet lies in delivering exceptional value to our clients while concurrently cultivating growth prospects for our employees and ensuring lucrative returns for our investors.

The bedrock of the Company's long-term, profit-oriented growth strategy rests on the perpetual expansion of its diverse business verticals within the Indian market. Simultaneously, we are unwavering in our determination to channel investments into uncharted territories, exploring new markets, and embarking on novel business avenues.

The customer experience is at the centre of the industry

Contemporary consumers are increasingly seeking a level of transparency and seamlessness in their interactions, facilitated by cutting-edge technology that furnishes swift access to information and feedback. These evolving customer preferences are establishing fresh benchmarks for convenience, ease, and value, prompting an anticipation of round-the-clock accessibility along with personalized offerings at competitive price points. Consequently, the trajectories of customer journeys have assumed paramount significance, with a growing emphasis on enriching customer experiences. This dynamic shift is manifesting as a pivotal mandate within the online commerce sector.

Digitisation

The advent of digital technology has ushered in a transformative era in online commerce, marking a significant paradigm shift. The escalating reach of the internet, poised to encompass an anticipated 900 million users by 2025, is poised to exert a lasting impact on the landscape of online commerce as well as various other industries.

The boundaries that once demarcated distinct business domains have become increasingly indistinct, complemented by an exponential influx of information. This confluence has engendered an ultra-competitive market milieu wherein constant innovation and agility are pivotal for survival. The swift evolution of consumer behavior underpins the necessity to deliver an uninterrupted, end-to-end purchasing experience that is devoid of friction.

Considering the existing and prospective digital clientele of Yaari, along with the substantial potential within the digital business realm, the Company is poised to embark on a trajectory that aligns with its significant existing and future ventures. This strategic pursuit will particularly encompass the domain of social commerce business, conducted digitally under the banner of Yaari, through the dedicated Yaari app. This paradigm shift foresees the cessation of physical branches. Leveraging its extensive customer outreach, Yaari will undertake the sales, service, and dissemination of consumer products from the Company's subsidiaries, as and when these products are introduced. This process will be facilitated through an intuitive product user interface bolstered by astute product recommendations and a streamlined claims process.

OUR STRENGTHS

Presence of dynamic leadership and professional management team

The stewardship of the Company and its group entities is entrusted to seasoned industry stalwarts, each distinguished in their respective domains. These dynamic teams are overseen by Boards comprising accomplished industry veterans, fostering a nexus of unparalleled expertise. The Group's strength is derived from the amalgamation of the multifaceted experiences of these accomplished individuals. The impending foray into the realm of social commerce business is poised to tap into the reservoir of insights and know-how that these experts bring to the table.

In addition to the existing wealth of knowledge, the Company will also be bolstered by a cadre of online commerce specialists. The Company is poised to capitalize on the acumen of highly skilled and seasoned key management personnel, alongside a well-trained and proficient workforce. The strategic collaboration with business partners, coupled with the potent amalgamation of robust analytical capabilities and a strong technical foundation, further augments the Company's competitive edge.

Management Discussion And Analysis *(Contd.)*

Technological expertise

The Company has adeptly harnessed technology to extend its footprint into the hinterlands. The technological orientation of the Group is directed towards enhancing customer-centricity, with an objective of providing unparalleled customer convenience while optimizing cost efficiencies to the maximum extent.

Robust systems and process

The Company places a profound faith in the potency of its systems and processes, recognizing them as a cornerstone of its strengths. In light of the enduring nature of its business pursuits, the Company is resolute in establishing resilient systems and processes that facilitate the systematic expansion of its operations. A paramount endeavor on our agenda involves the development of robust and appropriate systems and processes, meticulously crafted to ensure the Company's investments are fully aligned with prevailing regulatory prerequisites and asset-liability norms.

OPPORTUNITIES

The social commerce sector in India is poised for substantial growth and teems with vast potential and opportunities. In the contemporary landscape, buoyed by a regulatory framework, an increasingly digitally literate customer base, and technological facilitators, we are poised advantageously to harness the existing possibilities. While the current market is predominantly centered around urban demographics, we are firm believers in the prospect of uncharted territories by reimagining the social commerce paradigm. This, in turn, holds the potential to unlock hitherto untapped markets.

The Company identifies several pivotal growth catalysts within the current market that substantiate its various business operations and opportunities.

Favourable demographics and economic factors

India's demographic and economic landscape presents a significant advantage for the growth and development of various industries, including online commerce. With a population exceeding 1.3 billion people, India boasts a youthful demographic profile, with a substantial proportion of its population under the age of 35. This demographic dividend translates into a large and increasingly digitally savvy consumer base, eager to engage with online platforms for various needs.

Moreover, the growing middle class and rising disposable incomes contribute to higher consumer spending patterns. As more individuals join the digital realm, particularly in rural areas, there is an expanding market for online goods and services. This trend aligns well with the online commerce sector, which can tap into this burgeoning consumer demand.

India's economic growth trajectory, despite its fluctuations, has maintained a positive momentum over the years. A stable and growing economy provides a conducive environment for consumers to explore online purchasing options. Additionally, the Government of India's initiatives such as "Digital India" and "Make in India" have fostered digital adoption and ease of doing business, further propelling the growth of online commerce.

Shifting towards Online Commerce

The apprehensions stemming from the Covid-19 pandemic have led to heightened awareness among individuals regarding the merits of online commerce. The enforced lockdowns, necessitated by the pandemic, have prompted both new buyers and sellers to migrate towards digital platforms. The imperative of adhering to social distancing norms, combined with the heightened accessibility of the internet, has catalysed the adoption of online commerce, extending its reach beyond urban centers and into smaller towns and rural regions.

This seismic shift in consumer behavior is attributed to the necessity brought about by the pandemic, hastening the uptake of online commerce. According to Forrester Research, the Indian e-commerce sector witnessed a 7-8% surge in sales in 2020. Furthermore, the sector experienced remarkable growth, largely driven by consumers pivoting towards online shopping as an alternative to physical store visits due to the restrictions imposed by lockdowns.

In essence, the Covid-19 pandemic has ushered in a transformation in consumer behavior, fostering a swifter and wider embrace of online commerce. This shift has not only driven growth in the sector but has also underscored the pivotal role online platforms play in catering to consumer needs, particularly during unprecedented times.

Management Discussion And Analysis (Contd.)

Untapped Market

India ranks second in terms of the number of internet users. This number is split almost equally among urban and rural users. The number of internet users is further set to rise, with initiatives such as Digital Village providing internet access to more people. While the primary focus of the industry has been urban population, the potential to tap the tier 2 and tier 3 consumer is huge.

The majority of the consumers from tier 2, tier 3 cities and rural areas engage in value-based shopping driven via people they know—family members, friends, acquaintances or connections

RISKS AND THREATS

Uncertainty

Uncertainty encapsulates the challenge of foreseeing future outcomes with assuredness. Given the pervasive nature of uncertainty, it becomes imperative to factor in the potential consequences of deviations from anticipated projections. The prevailing environment's inherent unpredictability, encompassing market volatility and fluctuations in consumer confidence, introduces the likelihood of a decline in demand. This prospective dip could stem from wavering consumer confidence in the stock market, further exacerbated by the overarching uncertainty that pervades the landscape.

Supply chain management

The extensive disruptions resulting from Covid-19-induced lockdowns have triggered a myriad of challenges that encompass various aspects such as production, supply chain management, and distribution networks. These multifaceted risks are characterized by their fluid nature, continuously evolving and presenting significant dangers. The implications stretch to the possible disruption of supply chains and manufacturing processes, thereby adversely impacting the entirety of business operations.

Cyber security risk:

Our operational landscape is progressively reliant on IT systems, digital interactions, and information management. The looming threat of cyber-attacks, encompassing unauthorized access, sensitive data misuse, or operational disruptions, can significantly impede business operations across various dimensions.

SEGMENT -WISE OR PRODUCT -WISE PERFORMANCE

The Group's primary business segment is reflected based on principal business activities carried on by the Company. As per Indian Accounting Standard 108, which was notified under the Companies (Indian Accounting Standards) Rules, 2015 and is specified in Section 133 of the Companies Act, 2013, the Group operates in one reportable business segment and primarily operates in India. Therefore, it is considered a single geographical segment.

In compliance with the requirements of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, the details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, along with other key financial ratios and changes in Return on Networth of the Company (on standalone basis) including detailed explanations therefore are as under:

Particulars	2024-25	2023-24
Ratios - Balance Sheet		
During the year 2024-25, there are no significant changes in key financial ratios as compared to financial year 2023-24.		
Ratios – Financial performance		
The basic and diluted EPS of the Company decreased during the FY 2024-25, as the Company has incurred net loss after tax of ₹89.63 crore as compared to loss of ₹43.37 crore in the previous year.		
Net Profit/ (Loss) Margin	(89.63)	(43.37)
Basic EPS (in ₹)	(8.92)	(4.32)
Diluted EPS (in ₹)	(8.92)	(4.32)

Management Discussion And Analysis (Contd.)

CHANGE IN RETURN ON NETWORTH:

During the FY 2024-25 and FY 2023-24, the total equity of the Company has negative balances and hence return on net worth is negative/not applicable in both the years.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

The Company has in place adequate systems of internal control commensurate with its size and nature of business. It has institutionalised a robust and comprehensive internal control mechanism across all the major processes to ensure reliability of financial reporting, timely feedback on achievement of operational and strategic goals, compliance with policies, procedures, laws, and regulations. The Board Audit Committee oversees the compliance framework of the Company. The Company has formulated various internal policies/procedures and an employee code of conduct, which govern the day-to-day activities to ensure compliance. The Internal audit function provides independent and reasonable assurance about the adequacy and operating effectiveness of the Internal Controls to the Board and the Audit Committee.

HUMAN RESOURCES

The Company firmly believes that its employees are the key to driving performance and developing competitive advantage. The emphasis has been on proper recruitment of talent and empowerment while devoting resources for their continuous development. The structured recruitment process, which the Company employs, focuses on recruiting people who have the right mind set for working, supported by structured training programs and internal growth opportunities. As of March 31, 2025, our workforce for business purposes consists of 3 employees. To optimize resources and streamline operations some of the erstwhile employees of the Company were shifted to its other group companies. It is noteworthy that the transition was executed seamlessly, with all employees of group companies and subsidiaries offering their unwavering support to the functioning of our company.

Evaluation of the Board and Directors

The Independent Directors play a key role in the decision-making process of the Board as they approve the overall strategy of the Company and oversee performance of the management. The Independent Directors are committed to act in the best interest of the Company and its stakeholders. The Independent Directors bring a wide range of experience, knowledge and judgment. Their wide knowledge of both, their field of expertise and boardroom practices brings in varied, unbiased, independent and experienced outlook. All Independent Directors have committed and allocated sufficient time to perform their duties effectively. All the Independent Directors of the Company have confirmed that they have registered themselves in the databank created for Independent Directors, well within the stipulated time frame.

The framework, methodology and criteria for evaluating the performance of the Board as a whole, including Board Committee(s), as well as performance of each Director(s)/Chairman and existing evaluation parameters are in compliance with the requirements as per SEBI guidance note dated January 5, 2017 on Board evaluation. The existing parameters includes effectiveness of the Board and its committees, decision making process, Directors/Members participation, governance, independence, quality and content of agenda papers, team work, frequency of meetings, discussions at meetings, corporate culture, contribution, role of the Chairman and management of conflict of interest. Basis these parameters and guidance note on board evaluation issued by SEBI, the NRC had reviewed at length the performance of each Director individually and expressed satisfaction on the process of evaluation and the performance of each Director. The performance evaluation of the Board as a whole and its Committees namely Audit Committee, Nomination & Remuneration Committee and Stakeholders Relationship Committee as well as the performance of each Director individually, including the Chairman was carried out by the entire Board of Directors. The performance evaluation of the Executive Directors and Non-Executive Director was carried out by the Independent Directors in their meeting held on March 28, 2025. The Directors expressed their satisfaction with the evaluation process.

Also the Executive Director of the Company, on a periodic basis, has had one-to-one discussion with the Directors for their views on the functioning of the Board and the Company, including discussions on level of engagement and contribution, independence of judgment, safeguarding the interest of the Company and its minority Shareholders and implementation of the suggestions offered by Directors either individually or collectively during different Board/Committee Meetings.

Policy on Board Diversity

The N&R Committee devises the policy to provide for having a broad experience and diversity on the Board.

Director's Remuneration:

(i) Remuneration of Executive Directors

The Executive Director is being paid remuneration as recommended by Nomination & Remuneration Committee and approved by the Board of Directors/ Shareholders.

Details of remuneration paid to the Executive director during the year under review are provided in the Annual Return as on March 31, 2025, which is available on the Company's website: https://yaari.com/api/static/Investors/1755769921384MGT_7_AnnualReturn_2024-25.pdf.

(ii) Remuneration of Non-Executive Directors

Though day-to-day management of the Company is delegated to its Executive Director, the Non-Executive Directors also contribute significantly for laying down the policies and providing guidelines for conduct of Company's business. Considering the need for the enlarged role and active participation / contribution of Non-Executive Directors to achieve the growth in operations and profitability of the Company, it is appropriate that the services being rendered by them to the Company are recognized by it by way of payment of compensation, commensurate with their contributions, as permissible within the applicable regulations. The Company's Non-Executive Directors between them have extensive entrepreneurial experience, and deep experience in the fields of financial sector regulation and supervision, accounting, administration, and law enforcement etc. The Non-Executive Directors both exercise effective oversight, and also guide the senior management team. Their experience and inputs have been invaluable, they also devote their valuable time in deliberating on the strategic and critical issues in the course of the Board and Committee meetings of the Company and give their valuable advice, suggestion and guidance to the management of the Company. The Company is making payment of fee/ remuneration payable to its NEDs in accordance with the provisions of the Companies Act, 2013 and SEBI LODR. The Company has placed on its website, https://www.yaari.com/api/static/Investors/1671624526704Criteria_for_making_payment_to_Non_Executive_Directors.pdf criteria for making payment to Non- Executive Directors. Independent Auditor's Report

To the Members of Yaari Digital Integrated Services Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Yaari Digital Integrated Services Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated balance sheet as at 31 March 2025, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ('The Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the Consolidated state of affairs of the Group as at 31 March 2025, its Consolidated loss and Consolidated total comprehensive income, its Consolidated changes in equity and its Consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key Audit Matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated Financial Statements of the current year. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our audit report.

Key audit matter	How the matter was addressed in our audit
Information technology	
IT systems and controls	Our audit procedures to assess the IT system access management included the following:
The Group's financial accounting and reporting processes are highly dependent on the automated controls in information systems, such that there exists a risk that gaps in the IT control environment could result in the financial accounting and reporting records being materially misstated.	General IT controls/user access management
We have focused on user access management, change management, segregation of duties, system reconciliation controls over key financial accounting and reporting systems.	- We tested a sample of key controls operating over the information technology in relation to financial accounting and reporting systems, including system access and system change management, program development and computer operations. - We tested the design and operating effectiveness of key controls over user access management which includes granting access right, new user creation, removal of user rights and preventative controls designed to enforce segregation of duties, - For a selected group of key controls over financial and reporting systems, we independently performed procedures to determine that these controls remained unchanged during the year or were changed following the standard change management process.

Independent Auditor's Report (Contd.)

Key audit matter	How the matter was addressed in our audit
	- Evaluating the design, implementation and operating effectiveness of the significant accounts-related IT automated controls which are relevant to the accuracy of system calculation, and the consistency of data transmission. - Other areas that were independently assessed included password policies, system interface controls, controls over changes to applications and databases and those business users, developers and production support did not have access to change applications, the operating system or databases in the production environment.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. Reporting under this section is not applicable as no other information is obtained at the date of this auditor's report.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the Consolidated financial position, Consolidated financial performance, Consolidated total comprehensive income, Consolidated changes in equity and Consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies are also responsible for overseeing financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system with reference to Consolidated Financial Statements in place and the operating effectiveness of such controls.

Independent Auditor's Report *(Contd.)*

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The audit of consolidated financial statements for the year ended 31 March 2024 was carried out and reported by Agarwal Prakash & Co. vide their unmodified audit report dated 17 May 2024, whose audit report has been furnished to us by the management of the Company. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and the other financial information of the subsidiary companies incorporated in India, we give in the 'Annexure A' a statement on the matters specified in paragraph 3(xxi) of the Order.

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
- In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Company so far as it appears from our examination of those books and our reports on the subsidiary companies, for the matters stated in the paragraph h(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
- The Consolidated Financial Statements dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;
- In our opinion, the aforesaid Consolidated Financial Statements comply with Ind AS specified under Section 133 of the Act;
- On the basis of the written representations received from the directors of the Holding Company as on 31 March 2025 taken on record by the Board of Directors of the Holding Company, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164(2) of the Act;
- The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph (b) above on reporting under Section 143(3)(b) of the Act and paragraph h(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;

Independent Auditor's Report (Contd.)

- (g) With respect to the adequacy of the internal financial controls with reference to Consolidated Financial Statements of the Group and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Financial Statements as at 31 March 2025— Refer Note 43 to the Consolidated Financial Statements.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2025.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiaries during the year ended 31 March 2025.
 - iv.
 - (a) The respective managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The respective managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the respective Holding Company or any of such subsidiaries from any person or entity, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us and that performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) contain any material misstatement.

The Holding Company and its subsidiaries has not declared and paid dividend during the year.

As stated in note 48 to the financial statements and based on our examination which included test checks, the Company, in respect of financial year ended on 31 March 2025, has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility at application level as well as database level and the same has been operated throughout the year for all relevant transactions recorded in the software. However, the recording of audit trail (edit logs) can be disabled using restricted privileged rights for direct data changes at database level, by the developer. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Furthermore, the audit trail has been preserved by the Company as per the statutory requirements for record retention, wherever applicable.

- (i) With respect to the matter to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration for the year ended 31 March 2025 has been paid/provided by the Holding Company to its directors in accordance with the provisions of the section 197 read with schedule V to the Act.

Annexure B

to the Independent Auditor's Report

With reference to the Annexure B referred to in the Independent Auditor's Report to the members of the Company on the Consolidated Financial Statements for the year ended 31 March 2025 of even date.

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls with reference to Consolidated Financial Statements of Yaari Digital Integrated Services Limited (hereinafter referred to as the "Holding Company") as of 31 March 2025 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Consolidated Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A Company's internal financial controls with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Consolidated Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Annexure B

to the Independent Auditor's Report

Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies have, in all material respects, adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls with reference to Consolidated Financial Statements were operating effectively as at 31 March 2025, based on the internal financial controls with reference to Consolidated Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025

All amount in ₹ crores, unless otherwise stated

1. Nature of principal activities

Yaari Digital Integrated Services Limited “the Holding Company”, was incorporated on 24 July 2007. The Holding Company’s registered office is situated at 5th Floor Plot No. 108, Udyog Vihar, Phase-1, Gurugram-122016, Haryana.

Yaari Digital Integrated Services Limited”, along with its subsidiaries is together referred to as “the Group” in the following notes.

2. General information and statement of compliance with Ind AS

These financial statements of the Group have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs (‘MCA’)), as amended and other related provisions of the Act.

The financial statements are presented in Indian Rupees (‘INR’ or ‘₹’) which is the functional currency of the Group and all values are rounded to the nearest crores, except where otherwise indicated.

Entity specific disclosure of material accounting policies where Ind AS permits options is disclosed hereunder.

The Group has assessed the materiality of the accounting policy information which involves exercising judgements and considering both qualitative and quantitative factors by taking into account not only the size and nature of the item or condition but also the characteristics of the transactions, events or conditions that could make the information more likely to impact the decisions of the users of the financial statements.

Group’s conclusion that an accounting policy is immaterial does not affect the disclosures requirements set out in the accounting standards.

The financial statements for the year ended 31 March 2025 were authorized and approved for issue by the Board of Directors of the Holding Company on 18 April 2025. The revisions to the financial statements are permitted by the Board of Directors of the Holding Company after obtaining necessary approvals or at the instance of regulatory authorities as per provisions of the Act.

3. (a) Basis of preparation

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Certain financial assets and financial liabilities are measured at fair value and are categorised into level 1, level 2 and level 3 based on the degree to which the inputs to the fair value measurements are observable. Further, share based payments are also measured at fair value of the stock options.

(b) Recent accounting pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its financial statements.

4. Summary of material accounting policies

The financial statements have been prepared using the material accounting policies and measurement bases summarised below. These were used throughout all years presented in the financial statements.

4.1 Current versus non-current classification

For the purpose of Current / Non-Current classification, the Group has reckoned its normal operating cycle as twelve months based on the nature of products and the time between the acquisition of assets or inventories for processing and their realisation in cash and cash equivalents.

4.2 Revenue recognition

Revenue is recognised when control is transferred and is accounted net of rebate and taxes. The Group applies the revenue recognition criteria to each nature of the revenue transaction as set out below.

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

Revenue from contracts with customers

The Group is primarily engaged in providing web services. Revenue from contracts with customers is recognised when control of the services is transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those services and excluding taxes or duties collected on behalf of the government.

The disclosures of significant accounting judgements, estimates and assumptions relating to revenue from contracts with customers are provided in Note 5

The specific recognition criteria described below must also be met before revenue is recognised

Rendering of services

Revenue from web services is recognised based on output method i.e. pro-rata over the period of the contract as and when the Group satisfies performance obligations by transferring the promised services to its customers. Revenues from lead based services is recognised based on output method i.e. as and when leads are consumed by the customer or on the expiry of contract whichever is earlier. Activation revenue is amortised over the estimated customer relationship period.

Advertising revenue is derived from displaying web based banner ads and sale of online advertisements. Revenue from banner advertisement is recognised pro rata over the period of display of advertisement as per contract. Revenue from sale of online advertisements is recognised based on output method and the Group applies the practical expedient to recognise advertising revenue in the amount to which the Group has a right to invoice.

Contract balances

Trade receivables

A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers services to the customer, a contract liability is recognised. The Group recognises contract liability for consideration received in respect of unsatisfied performance obligations and reports these amounts as deferred revenue and advances from customers in the balance sheet. The unaccrued amounts are not recognised as revenue till all related performance obligations are fulfilled. The Group generally receives transaction price in advance for contracts with customers that run up for more than one year. The transaction price received in advance does not have any significant financing component as the difference between the promised consideration and the cash selling price of the service arises for reasons other than the provision of finance.

4.3 Property, plant and equipment (PPE)

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent measurement (depreciation and useful lives)

Depreciation on property, plant and equipment is provided on the straight-line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II to the Companies Act, 2013.

Asset class	Useful life
Office equipment	5 years
Computers	3 – 6 years
Vehicles	8 years

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

The residual values, useful lives and method of depreciation of are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in statement of profit and loss when the asset is derecognised.

4.4 Intangible assets

Recognition and initial measurement

Intangible assets (softwares) are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent measurement (amortisation)

The cost of capitalized software is amortized over a period four years (4 years) from the date of its acquisition.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

4.5 Impairment of non-financial assets

At each reporting date, the Group assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the Group estimates the recoverable amount of the asset or the cash generating unit. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

4.6 Financial instruments

Financial assets

Recognition and initial measurement

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Subsequent measurement

- i. Debt instruments at amortised cost – A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- ii. Equity instruments - All equity investments in scope of 'Ind AS 109 Financial Instruments' ('Ind AS 109') are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Group decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

- iii. Mutual funds – All mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Group has transferred its rights to receive cash flows from the asset.

Financial liabilities

Recognition and initial measurement – amortised cost

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

Subsequent measurement – Amortised cost

Subsequent to initial measurement, all financial liabilities are measured at amortised cost using the effective interest method.

Recognition and initial and subsequent measurement – fair value

A financial liability is classified as fair value through profit and loss ('FVTPL') if it is designated as such upon initial recognition. Financial liabilities at FVTPL are measured (initial and subsequent) at fair value and net gains/losses, including any interest expense are recognised in statement of profit and loss.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Compound financial instrument

Optionally convertible debentures are separated into liability and equity components based on the terms of the contract. On issuance of the said instrument, the liability component is arrived by discounting the gross sum at a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost until it is extinguished on conversion or redemption. The remainder of the proceeds is recognised as equity component of compound financial instrument. This is recognised and included in shareholders' equity, net of income tax effects, and not subsequently re-measured. Such instruments are classified as current financial liability if the conversion option vests with the holder.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

4.7 Impairment of financial assets

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. The Group factors historical trends and forward looking information to assess expected credit losses associated with its assets and impairment methodology applied depends on whether there has been a significant increase in credit risk.

Trade receivables

In respect of trade receivables, the Group applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

Other financial assets

In respect of its other financial assets, the Group assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Group measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses. The Group assumes that the credit risk on a financial asset has not increased significantly since initial recognition, if the financial asset is determined to have low credit risk at the balance sheet date.

4.8 Provisions, contingent liabilities and contingent assets

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Group or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

4.9 Share based payments

Share based compensation benefits are provided to employees via Employee Stock Option Plans (ESOPs). The employee benefit expense is measured using the fair value of the employee stock options and is recognized over vesting period with a corresponding increase in equity. The vesting period is the period over which all the specified vesting conditions are to be satisfied. On the exercise of the employee stock options, the employees will be allotted equity shares of the Group.

4.10 Employee benefits

Defined contribution plan

The Group's contribution to provident fund and employee state insurance schemes is charged to the statement of profit and loss or inventorized as a part of real estate project under development, as the case may be. The Group's contributions towards Provident Fund are deposited with the Regional Provident Fund Commissioner under a defined contribution plan.

Defined benefit plan

The Group has unfunded gratuity as defined benefit plan where the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The liability recognized in the balance sheet for defined benefit plans is the present value of the defined benefit obligation (DBO) at the reporting date. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gain/losses resulting from re-measurements of the liability are included in other comprehensive income.

Other long term employee benefits

The Group also provides benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recorded in the statement of profit and loss in the year in which such gains or losses arise.

Short-term employee benefits

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

5. Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Group's future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Recoverability of advances/receivables – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Group assesses the requirement of provisions against the outstanding contingent liabilities. However the actual future outcome may be different from this judgement.

Significant estimates

Revenue and inventories – Ind AS 115 establishes a five-step model to account for revenue arising from contracts with customers and requires that revenue be recognised at an amount that reflects the consideration to which an entity expects to be entitled in exchange for transferring goods or services to a customer. This requires forecasts to be made of total budgeted cost with the outcomes of underlying construction and service contracts, which further require assessments and judgements to be made on changes in work scopes, claims (compensation, rebates etc.) and other payments to the extent they are probable and they are capable of being reliably measured. For the purpose of making estimates for claims, the Group used the available contractual and historical information. Ind AS 115 requires entities to exercise judgement, taking into consideration all of the relevant facts and circumstances when applying each step of the model to contracts with their customers. The standard also specifies the accounting for the incremental costs of obtaining a contract and the costs directly related to fulfilling a contract.

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

Fair value measurements

(i) Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the financial statements are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3: unobservable inputs for the asset or liability.

(ii) Financial assets measured at fair value

* These financial assets are mandatorily measured at fair value.

(ii) Financial instruments measured at amortised cost

For amortised cost instruments, carrying value represents the best estimate of fair value except for long-term financial assets.

(iii) Risk Management

The Group's activities expose it to market risk, liquidity risk and credit risk. The Group's board of directors has overall responsibility for the establishment and oversight of the Group's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

(A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Group. The Group's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Group continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

a) Credit risk management

i) Credit risk rating

The Group assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

- A: Low credit risk
- B: Moderate credit risk
- C: High credit risk

Asset group	Basis of categorisation	Provision for expenses credit loss
A: Low credit risk	Cash and cash equivalents, other bank balances, loans, security deposits, investments(short -term) and other financial assets	12 month expected credit loss/Life time expected credit loss
B: Moderate Credit risk	Loan and other financial assets	12 month expected credit loss

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

Based on business environment in which the Group operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Group. The Group continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

Defined contribution plan

The Group has made ₹ 0.00 crores (31 March 2024 ₹ 0.00 crores) contribution in respect of provident fund.

Defined benefit plan

The Group has following defined benefit plans:

- Gratuity (unfunded)
- Compensated absences (unfunded)

Risks associated with plan provisions

Discount rate risk	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality risk	Actual death & liability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Salary risk	Actual salary increase will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Withdrawal risk	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

Compensated absence

The leave obligations cover the Group's liability for permitted leaves. The amount of provision of ₹0.00 crores (31 March 2024 - ₹0.00 crores) is presented as current, since the Group does not have an unconditional right to defer settlement for any of these obligations. However based on past experience, the Group does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months, therefore based on the independent actuarial report, only a certain amount of provision has been presented as current and remaining as non-current. The weighted average duration of the defined benefit obligation is 19.10 years (31 March 2024: 19.69 years).

Gratuity

The Group provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. Gratuity plan is a non-funded plan. The weighted average duration of the defined benefit obligation is 19.10 years (31 March 2024: 19.69 years)

Mortality table	IALM (2012 - 14)	IALM (2012 - 14)	IALM (2012 - 14)	IALM (2012 - 14)

As the Group does not have any plan assets, the movement of present value of defined benefit obligation and fair value of plan assets has not been presented.

These assumptions were developed by management with the assistance of independent actuarial appraisers. Discount factors are determined close to each year-end by reference to government bonds of relevant economic markets and that have terms to maturity approximating to the terms of the related obligation. Other assumptions are based on management's historical experience.

Note – 48 Audit Trail

As per the Ministry of Corporate Affairs (MCA) notification, proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, for the financial year commencing 1 April 2023, every company which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled. The interpretation and guidance on what level edit log and audit trail needs to be maintained evolved during the year and continues to evolve.

The Group has used accounting software for maintaining its books of account for the year, which has feature of recording audit trail (edit log) facility at application level as well as database level and the same has operated throughout the year for all relevant transactions recorded in the software. Recording of audit trail (edit logs) can be disabled using restricted privileged rights for direct data changes at database level, only by the developer. Since the Group has other necessary controls in place, which are operating effectively, this feature will not adversely impact its data and audit log retention directly at database level.

Furthermore, the audit trail has been preserved by the Group as per the statutory requirements for record retention.

Independent Auditor's Report

To the Members of Yaari Digital Integrated Services Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Yaari Digital Integrated Services Limited ("the Company"), which comprise the balance sheet as at 31 March 2025, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, of the state of affairs of the Company as at 31 March 2025, its loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ('SA's) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters ('KAM') are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our audit report.

Key audit matters	How our audit addressed the key audit matter
Impairment assessment of investments and loans made to its subsidiaries	
Impairment assessment of investments and loans made to its subsidiaries	Our procedures in relation to the impairment assessment of investments and loans included, but not limited to the following:
The Company's policies on the impairment assessment of the investments and loans are set out in Note 4.6 to the Standalone Financial Statements.	● Assessed the appropriateness of the Company's accounting policy by comparing with applicable Ind AS;
The Company has investments amounting to ₹ 460.05 Crores (net of impairment) and has outstanding loans amounting to ₹ 5.69 Crores to its subsidiaries as at 31 March 2025 as disclosed under the Note 6 and 9 to the standalone financial statements.	● We obtained an understanding of the management process for identification of possible impairment indicators and process performed by the management for impairment testing;
Impairment assessment of these investments and loans is considered as a significant risk as there is a risk that recoverability of the investments and loans could not be established, and potential impairment charge might be required to be recorded in the standalone financial statements. The recoverability of these investments is inherently subjective due to reliance on either the net worth of investee or valuations of the properties held or cash flow projections of real estate properties in these investee companies.	● Enquired of the management and understood the internal controls related to completeness of the list of loans and investment along with the process followed to recover/adjust these and assessed whether further provisioning is required;
	● Performed test of details:
	a) For all significant additions made during the year, underlying supporting documents were verified to ensure that the transaction has been accurately recorded in the standalone financial statement;

Independent Auditor's Report *(Contd.)*

Key audit matters	How our audit addressed the key audit matter
However, due to their materiality in the context of the Company's standalone financial statements as a whole and significant degree of judgement and subjectivity involved in the estimates and key assumptions used in determining the cash flows used in the impairment evaluation, this is considered to be the area to be of most significance to the audit and accordingly, has been considered as a key audit matter for the current year audit.	b) For all significant investments and loans outstanding as at 31 March 2025, confirmations were circulated and received. Further, all the significant reconciling items were tested; c) All material investments and significant loans as at 31 March 2025 were discussed on case-to-case basis with the management for their plan of recovery/adjustment; d) Compared the carrying value of material investments and significant loans to the net assets of the underlying entity, to identify whether the net assets, being an approximation of their minimum recoverable amount, were in excess of their carrying amount; and e) Wherever the net assets were lower than the recoverable amount, for material amounts: i. We obtained and verified the management certified cash flow projections and tested the underlying assumptions used by the management in arriving at those projections; ii. We challenged the managements on the underlying assumptions used for the cash flow projections, considering evidence available to support these assumptions and our understanding of the business; iii. We obtained and verified the valuation of land parcels as per the government prescribed circle rates; and iv. We assessed the appropriateness and adequacy of the disclosures made by the management for the impairment losses recognized in accordance with applicable accounting standards.

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the Standalone Financial Statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the Standalone Financial Statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. Reporting under this section is not applicable as no other information is obtained at the date of this auditor's report.

Independent Auditor's Report *(Contd.)*

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Independent Auditor's Report *(Contd.)*

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

The audit of financial statements for the year ended 31 March 2024 was carried out and reported by Agarwal Prakash & Co. vide their unmodified audit report dated 17 May 2024, whose audit report has been furnished to us by the management of the Company. Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the 'Annexure A', a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in the paragraph h(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
- (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors as on 31 March 2025 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2025 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph (b) above on reporting under Section 143(3)(b) of the Act and paragraph h(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;

Independent Auditor's Report *(Contd.)*

- (g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in 'Annexure B'. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements as at 31 March 2025— Refer Note 33 to the standalone financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2025.
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2025.
 - iv.
 - (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
 - v. The Company has not declared and paid dividend during the year.
 - vi. As stated in note 49 to the financial statements and based on our examination which included test checks, the Company, in respect of financial year ended on 31 March 2025, has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility at application level as well as database level and the same has been operated throughout the year for all relevant transactions recorded in the software. However, the recording of audit trail (edit logs) can be disabled using restricted privileged rights for direct data changes at database level, by the developer. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with. Furthermore, the audit trail has been preserved by the Company as per the statutory requirements for record retention, wherever applicable.

Independent Auditor's Report *(Contd.)*

- (i) With respect to the other matters to be included in the auditor's report in accordance with the requirements of section 197(16) of the Act, as amended, we report that in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

Annexure B

to the Independent Auditor's Report

With reference to the Annexure B referred to in the Independent Auditor's Report to the members of the Company on the standalone financial statements for the year ended 31 March 2025 of even date.

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls with reference to standalone financial statements of Yaari Digital Integrated Services Limited ('the Company') as of 31 March 2025 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both, issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to standalone financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are

Annexure B to the Independent Auditor's Report *(Contd.)*

subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls with reference to standalone financial statements were operating effectively as at 31 March 2025, based on the internal financial controls with reference to standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025

All amount in ₹ crores, unless otherwise stated

1. Nature of principal activities

Yaari Digital Integrated Services Limited “the Company”, having CIN: L51101HR2007PLC077999 was incorporated on 24 July 2007. The Company’s registered office is situated at 5th Floor Plot No. 108, Udyog Vihar, Phase-1, Gurugram-122016, Haryana.

2. General information and statement of compliance with Ind AS

These financial statements of the Company have been prepared in accordance with the Indian Accounting Standards as notified under section 133 of the Companies Act 2013 read with the Companies (Indian Accounting Standards) Rules 2015 (by Ministry of Corporate Affairs (‘MCA’)), as amended and other related provisions of the Act.

The financial statements are presented in Indian Rupees (‘INR’ or ‘₹’) which is the functional currency of the Company and all values are rounded to the nearest crores, except where otherwise indicated.

Entity specific disclosure of material accounting policies where Ind AS permits options is disclosed hereunder.

The Company has assessed the materiality of the accounting policy information which involves exercising judgements and considering both qualitative and quantitative factors by taking into account not only the size and nature of the item or condition but also the characteristics of the transactions, events or conditions that could make the information more likely to impact the decisions of the users of the financial statements.

Entity’s conclusion that an accounting policy is immaterial does not affect the disclosures requirements set out in the accounting standards.

The financial statements for the year ended 31 March 2025 were authorized and approved for issue by the Board of Directors on 18 April 2025. The revisions to the financial statements are permitted by the Board of Directors after obtaining necessary approvals or at the instance of regulatory authorities as per provisions of the Act.

3. (a) Basis of preparation

The financial statements have been prepared on going concern basis in accordance with accounting principles generally accepted in India. Certain financial assets and financial liabilities are measured at fair value and are categorised into level 1, level 2 and level 3 based on the degree to which the inputs to the fair value measurements are observable. Further, share based payments are also measured at fair value of the stock options.

(b) Recent accounting pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year ended March 31, 2025, MCA has notified Ind AS 117 - Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and lease back transactions, applicable from April 1, 2024. The Company has assessed that there is no significant impact on its financial statements.

4. Summary of material accounting policies

The financial statements have been prepared using the material accounting policies and measurement bases summarised below. These were used throughout all years presented in the financial statements.

4.1 Current versus non-current classification

For the purpose of Current / Non-Current classification, the Company has reckoned its normal operating cycle as twelve months based on the nature of products and the time between the acquisition of assets or inventories for processing and their realisation in cash and cash equivalents.

4.2 Property, plant and equipment (PPE)

Recognition and initial measurement

Property, plant and equipment are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

and rebates are deducted in arriving at the purchase price. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

Subsequent measurement (depreciation and useful lives)

Depreciation on property, plant and equipment is provided on the straight-line method, computed on the basis of useful lives (as set out below) prescribed in Schedule II to the Companies Act, 2013.

Asset class	Useful life
Office equipment	5 years
Computers	3 – 6 years
Vehicles	8 years

The residual values, useful lives and method of depreciation of are reviewed at the end of each financial year.

De-recognition

An item of property, plant and equipment initially recognised is de-recognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in statement of profit and loss when the asset is derecognised.

4.3 Intangible assets

Recognition and initial measurement

Intangible assets (softwares) are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

Subsequent measurement (amortisation)

The cost of capitalized software is amortized over a period four years (4 years) from the date of its acquisition.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

4.4 Impairment of non-financial assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired, based on internal or external factors. If any such indication exists, the Company estimates the recoverable amount of the asset or the cash generating unit. If such recoverable amount of the asset or cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the statement of profit and loss. If, at the reporting date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount. Impairment losses previously recognized are accordingly reversed in the statement of profit and loss.

4.5 Financial instruments

Financial assets

Recognition and initial measurement

All financial assets are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial asset is also adjusted.

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

Subsequent measurement

- i. Debt instruments at amortised cost – A 'debt instrument' is measured at the amortised cost if both the following conditions are met:
 - The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
 - Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method.

- ii. Equity instruments - All equity investments in scope of 'Ind AS 109 Financial Instruments' ('Ind AS 109') are measured at fair value. Equity instruments which are held for trading are generally classified as at fair value through profit and loss (FVTPL). For all other equity instruments, the Company decides to classify the same either as at fair value through other comprehensive income (FVOCI) or fair value through profit and loss (FVTPL).
- iii. Mutual funds – All mutual funds in scope of Ind AS 109 are measured at fair value through profit and loss (FVTPL).

De-recognition of financial assets

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

Financial liabilities

Recognition and initial measurement – amortised cost

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted.

Subsequent measurement – Amortised cost

Subsequent to initial measurement, all financial liabilities are measured at amortised cost using the effective interest method.

Recognition and initial and subsequent measurement – fair value

A financial liability is classified as fair value through profit and loss ('FVTPL') if it is designated as such upon initial recognition. Financial liabilities at FVTPL are measured (initial and subsequent) at fair value and net gains/losses, including any interest expense are recognised in statement of profit and loss.

De-recognition of financial liabilities

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

Compound financial instrument

Optionally convertible debentures are separated into liability and equity components based on the terms of the contract. On issuance of the said instrument, the liability component is arrived by discounting the gross sum at a market rate for an equivalent non-convertible instrument. This amount is classified as a financial liability measured at amortised cost until it is extinguished on conversion or redemption. The remainder of the proceeds is recognised as equity component of compound financial instrument. This is recognised and included in shareholders' equity, net of income tax effects, and not subsequently re-measured. Such instruments are classified as current financial liability if the conversion option vests with the holder.

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

4.6 Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss for financial assets. The Company factors historical trends and forward looking information to assess expected credit losses associated with its assets and impairment methodology applied depends on whether there has been a significant increase in credit risk.

Trade receivables

In respect of trade receivables, the Company applies the simplified approach of Ind AS 109, which requires measurement of loss allowance at an amount equal to lifetime expected credit losses. Lifetime expected credit losses are the expected credit losses that result from all possible default events over the expected life of a financial instrument.

Other financial assets

In respect of its other financial assets, the Company assesses if the credit risk on those financial assets has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the Company measures the loss allowance at an amount equal to 12-month expected credit losses, else at an amount equal to the lifetime expected credit losses. The Company assumes that the credit risk on a financial asset has not increased significantly since initial recognition, if the financial asset is determined to have low credit risk at the balance sheet date.

4.7 Provisions, contingent liabilities and contingent assets

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

4.8 Share based payments

Share based compensation benefits are provided to employees via Employee Stock Option Plans (ESOPs). The employee benefit expense is measured using the fair value of the employee stock options and is recognized over vesting period with a corresponding increase in equity. The vesting period is the period over which all the specified vesting conditions are to be satisfied. On the exercise of the employee stock options, the employees will be allotted equity shares of the Company.

4.9 Employee benefits

Defined contribution plan

The Company's contribution to provident fund and employee state insurance schemes is charged to the statement of profit and loss or inventorized as a part of real estate project under development, as the case may be. The Company's contributions towards Provident Fund are deposited with the Regional Provident Fund Commissioner under a defined contribution plan.

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

Defined benefit plan

The Company has unfunded gratuity as defined benefit plan where the amount that an employee will receive on retirement is defined by reference to the employee's length of service and final salary. The liability recognized in the balance sheet for defined benefit plans is the present value of the defined benefit obligation (DBO) at the reporting date. Management estimates the DBO annually with the assistance of independent actuaries. Actuarial gain/losses resulting from re-measurements of the liability are included in other comprehensive income.

Other long term employee benefits

The Company also provides benefit of compensated absences to its employees which are in the nature of long-term employee benefit plan. Liability in respect of compensated absences becoming due and expected to be availed more than one year after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method as on the reporting date. Actuarial gains and losses arising from experience adjustments and changes in actuarial assumptions are recorded in the statement of profit and loss in the year in which such gains or losses arise.

Short-term employee benefits

Short-term employee benefits comprise of employee costs such as salaries, bonus etc. is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

4.10 Significant management judgement in applying accounting policies and estimation uncertainty

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the related disclosures.

Significant management judgements

Recognition of deferred tax assets – The extent to which deferred tax assets can be recognized is based on an assessment of the probability of the Company's future taxable income against which the deferred tax assets can be utilized.

Evaluation of indicators for impairment of assets – The evaluation of applicability of indicators of impairment of assets requires assessment of several external and internal factors which could result in deterioration of recoverable amount of the assets.

Recoverability of advances/receivables – At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit losses on outstanding receivables and advances.

Fair value measurements – Management applies valuation techniques to determine the fair value of financial instruments (where active market quotes are not available). This involves developing estimates and assumptions consistent with how market participants would price the instrument.

Provisions – At each balance sheet date basis the management judgment, changes in facts and legal aspects, the Company assesses the requirement of provisions against the outstanding contingent liabilities. However the actual future outcome may be different from this judgement.

Significant estimates

Useful lives of depreciable/amortisable assets – Management reviews its estimate of the useful lives of depreciable/amortisable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical and economic obsolescence that may change the utilisation of assets.

Defined benefit obligation (DBO) – Management's estimate of the DBO is based on a number of underlying assumptions such as standard rates of inflation, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

(i) Nature and purpose of other reserves

General reserve

The Company is required to create a general reserve out of the profits when the Company declares dividend to shareholders.

Capital reserve

The Company has issued share warrants in the earlier years. This reserve is created on account of forfeiture of share application money received on account of issuance of share warrants as share warrants holders did not exercise their rights.

Deferred employee compensation reserve

The reserve is used to recognized the expenses related to stock option issued to employees under Holding Company's employee stock option plans.

Securities premium

Security premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of Companies Act, 2013.

Treasury Shares

The Company had created "Surya Employee Welfare Trust" (formerly known as Indiabulls Integrated Employee Welfare Trust) ("Surya-EWT") for the implementation of schemes namely employees stock options plans, employees stock purchase plan and stock appreciation rights plan. The Company treats Surya-EWT as its extension and the Company's own shares held by Surya-EWT are treated as treasury shares. The premium over face value of the acquired treasury shares are presented as a deduction from the securities premium reserve. The original cost of treasury shares and the proceeds of any subsequent sale are presented as movements in equity.

Fair value measurements

(i) Fair value hierarchy

Financial assets and financial liabilities measured at fair value in the financial statements are grouped into three Levels of a fair value hierarchy. The three Levels are defined based on the observability of significant inputs to the measurement, as follows:

Level 1: quoted prices (unadjusted) in active markets for financial instruments.

Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.

Level 3: unobservable inputs for the asset or liability.

iii) Risk Management

The Company's activities expose it to market risk, liquidity risk and credit risk. The Company's board of directors has overall responsibility for the establishment and oversight of the Company's risk management framework. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the related impact in the financial statements.

(A) Credit risk

Credit risk is the risk that a counterparty fails to discharge its obligation to the Company. The Company's exposure to credit risk is influenced mainly by cash and cash equivalents, trade receivables and financial assets measured at amortised cost. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls.

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

a) Credit risk management

i) Credit risk rating

The Company assesses and manages credit risk of financial assets based on following categories arrived on the basis of assumptions, inputs and factors specific to the class of financial assets.

A: Low credit risk

B: Moderate credit risk

C: High credit risk

Asset group	Basis of categorisation	Provision for expenses credit loss
A: Low credit risk	Trade receivables, cash and cash equivalents, other bank balances, loans, investments(current) and other financial assets	12 month expected credit loss/ Life time expected credit loss
B: Moderate credit risk	Loans	12 month expected credit loss/ Life time expected credit loss

Based on business environment in which the Company operates, a default on a financial asset is considered when the counter party fails to make payments within the agreed time period as per contract. Loss rates reflecting defaults are based on actual credit loss experience and considering differences between current and historical economic conditions.

Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or a litigation decided against the Company. The Company continues to engage with parties whose balances are written off and attempts to enforce repayment. Recoveries made are recognised in statement of profit and loss.

Defined benefit plan

The Company has following defined benefit plans:

- Gratuity (unfunded)
- Compensated absences (unfunded)

Summary of material accounting policies and other explanatory information for the year ended 31 March 2025 (Contd.)

All amount in ₹ crores, unless otherwise stated

Risks associated with plan provisions

Discount rate risk	Reduction in discount rate in subsequent valuations can increase the plan's liability.
Mortality risk	Actual death & liability cases proving lower or higher than assumed in the valuation can impact the liabilities.
Salary risk	Actual salary increase will increase the Plan's liability. Increase in salary increase rate assumption in future valuations will also increase the liability.
Withdrawal risk	Actual withdrawals proving higher or lower than assumed withdrawals and change of withdrawal rates at subsequent valuations can impact Plan's liability.

Compensated absence

The leave obligations cover the Company's liability for permitted leaves. The amount of provision of ₹0.00 crores (31 March 2024 - ₹0.00 crores) is presented as current, since the Company does not have an unconditional right to defer settlement for any of these obligations. However based on past experience, the Company does not expect all employees to take the full amount of accrued leave or require payment within the next 12 months, therefore based on the independent actuarial report, only a certain amount of provision has been presented as current and remaining as non-current. The weighted average duration of the defined benefit obligation is 19.10 years (31 March 2024: 19.69 years).

Gratuity

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employee's last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service. Gratuity plan is a non-funded plan. The weighted average duration of the defined benefit obligation is 19.10 years (31 March 2024: 19.69 years)

As the Company does not have any plan assets, the movement of present value of defined benefit obligation and fair value of plan assets has not been presented.

These assumptions were developed by management with the assistance of independent actuarial appraisers. Discount factors are determined close to each year-end by reference to government bonds of relevant economic markets and that have terms to maturity approximating to the terms of the related obligation. Other assumptions are based on management's historical experience.

Note – 49 Audit Trail

As per the Ministry of Corporate Affairs (MCA) notification, proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, for the financial year commencing 1 April 2023, every company which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled. The interpretation and guidance on what level edit log and audit trail needs to be maintained evolved during the year and continues to evolve.

The Company has used accounting software for maintaining its books of account for the year, which has feature of recording audit trail (edit log) facility at application level as well as database level and the same has operated throughout the year for all relevant transactions recorded in the software. Recording of audit trail (edit logs) can be disabled using restricted privileged rights for direct data changes at database level, only by the developer. Since the company has other necessary controls in place, which are operating effectively, this feature will not adversely impact its data and audit log retention directly at database level.

Furthermore, the audit trail has been preserved by the Company as per the statutory requirements for record retention.

Note – 50 Other matters

- The Company has not entered into any derivative instrument during the year. The Company does not have any foreign currency exposures towards receivables, payables or any other derivative instrument that have not been hedged.
- In respect of amounts as mentioned under Section 125 of the Companies Act, 2013, there were no dues required to be credited to the Investor Education and Protection Fund as at 31 March 2025 and 31 March 2024.
- In the opinion of the Board of Directors, all current assets and long term loans & advances, appearing in the balance sheet as at 31 March 2025, have a value on realization, in the ordinary course of the Company's business, at least equal to the amount at which they are stated in the financial statements. In the opinion of the board of directors, no provision is required to be made against the recoverability of these balances.
